

## Shipping Information

### USA, Canada and Latin America

- We will ship DIY speaker kits using Air FedEx.
- Shipping price will be calculated separately for each order.
- Shipping price and method will depend on content of the kit (parcel size and weight).
- For small packages (1-2 Kg.) we will often recommend postal services as it is often the cheapest way of shipping.
- For larger packages (5 kg and up) we will often recommend FedEx shipping.
