

8008 Center mkII

Designed by Troels Gravesen

“With the number of TQWT/DTQWT kits sold, the wish for adding a center speaker is becoming more frequent, as surround fans want a speaker to complement their (mostly) DTQWT systems.

Most good center speakers are – at least – 3-way.”

This center speaker has been on the to-do list for a long time and started as a “classic” horizontal d’Appolito set-up.

Speaker Units (Drivers):

**Jantzen Audio
JA-8008 HMQ
Mid-woofers
(comes with DIY kit)**

**SEAS
MCA12RC
Mid-range units
(comes with DIY kit)**

**SEAS
T35C002
Tweeters
(comes with DIY kit)**
