JANTZEN AUDIO

Troels Gravesen's Introduction:

An update to the popular CNO mkII, here with a revised simple crossover and time-aligned drivers.

Fitted with some of the best drivers from the SEAS EXCEL line of drivers and state of the art crossover components from Jantzen Audio.

Can be built in 3 different cabinet versions; as a floor-stander (A), slim floor-stander (B) or modest sized stand-mount (C).

The DIY kit comes with enough damping materials to build all 3 cabinet versions.
